All shipments are conducted under **FOB Zhuhai** terms unless otherwise agreed in writing. The buyer assumes full responsibility for the goods once they are delivered on board at the port of shipment.

2、第三方物流服务

Upon the buyer's request, we may assist in arranging shipping through third-party logistics providers offering door-to-door or DDP services. Such services are provided by independent logistics partners and are not part of our contractual obligations.

如客户有需求，我司可协助安排第三方物流提供到门或双清包税（DDP）服务。该类服务由独立物流商提供，不属于我司合同责任范围。

3. Transit Time

3、运输时效

Any estimated transit time is for reference only. We do not guarantee delivery timelines and shall not be held liable for delays caused by carriers, customs clearance, weather, or other unforeseen circumstances.

4. Loss or Damage

4、丢件与货损

Under FOB terms, the risk of loss or damage transfers to the buyer once the goods are loaded on board. If shipment is arranged via third-party logistics, any claims for loss, damage, or shortage shall be made directly with the logistics provider. We may assist but bear no liability.

在 FOB 条款下，货物装船后灭失或损坏风险由买方承担。如通过第三方物流运输，任何丢件、货损或短少索赔应由买方直接向物流商提出，我司可协助处理但不承担相关责任。

5. Customs Clearance

5、清关责任

Customs clearance is the responsibility of the importer. Any delays, inspections, or issues caused by customs authorities are beyond our control. For DDP services arranged via third parties, customs clearance is handled by the logistics provider, and we are not responsible for related risks or delays.

清关由进口方负责，目的国海关产生的查验、延误或其他问题均不在我司控制范围内。如使用第三方双清服务，清关由物流商负责，我司不承担相关风险或延误责任。

6、关税与税费

Import duties and taxes shall be borne by the buyer unless otherwise agreed. For DDP or tax-included services arranged via third parties, any additional charges, policy changes, or disputes shall be handled by the buyer directly with the logistics provider.

除非另有约定，进口关税及相关税费由买方承担。如通过第三方提供包税服务，产生的额外费用、政策变化或争议，需由买方直接与物流商处理。

7. Force Majeure

7、不可抗力

We shall not be liable for any delay or failure in delivery due to force majeure events, including
